

Label Impression, Inc. Eco Vision

Label Impressions, Inc. is dedicated to keeping our environment healthy “one label at a time” by;

- *Understanding the environment is fragile and offering our customers the most current information on eco friendly products and materials*
- *Continually lowering our company eco footprint with our partner www.carbonfund.org*
- *Supporting local environmental causes, such as “The Bike Ride for Green”*
- *Providing “Green 101” seminars, making it easier for our customers to understand how to get started on their own eco path*

Our goal is to be the leading authority on eco friendly printing and packaging materials.
